En Ric Energy Group el 30,8% de los empleados son mujeres frente al 69,2% que son hombres. En el pasado, la maternidad ha sido el principal obstáculo, pero creo que cada vez es menos evidente en el sentido en el que se comparten bajas y las nuevas generaciones tienen más mentalidad de compartir responsabilidades.

At RIC Energy we are committed to the ecological transition and seek to lead the change towards a more sustainable world. People are the engine of our business and our customers' satisfaction drives every action we take. We strive to create a positive impact on the planet and promote environmental awareness. We work towards an inclusive ...
