

Rwanda multisub energy limited

Who is multisub Energy Limited?

Multisub Energy Limited is an independent oil and gas exploration and production company established in 2021, to develop, produce and operate Olure Field on PPL-218 with a Petroleum Prospecting Licence PPL-218 in a safe and environmentally sustainable manner for stakeholders' benefit.

Who is Rwanda Energy Group Limited (Reg)?

Rwanda Energy Group Limited (REG), is a government-owned holding company responsible for the import, export, procurement, generation, transmission, distribution and sale of electricity in Rwanda.

Will Rwanda achieve universal connectivity by 2024?

When Rwanda achieves its aspiration to become Middle Income Country by 2035 and High-Income Country by 2050, REG will be the one powering it by achieving universal connectivity by 2024. As Ron Weiss, CEO of Rwanda Energy Group (REG) states "it won't be easy but it is achievable".

How many people in Rwanda have electricity?

World Bank figures show that just 6.2% of the Rwandan population had access to electricity in 2000, and now, according to Rwandan government data, that figure has surpassed 65%. The government's vision is for 100% of the population to have access by 2024. No single factor has been responsible for this transformation.

What does multisub do?

Multisub is engaged in the exploration, development and production of Oil and Natural Gas from Nigeria's resource - rich Basin in the Niger Delta. Our approach leverages our core competencies, experience, and relationships to sustainably create value for our stakeholders. Highly experienced, competent, motivated management team and work force.

Is 100% electrification within Rwanda's grasp?

As part of this, an Electricity Sector Strategic Plan (ESSP) has been developed and it falls on REG to implement it. It has outlined a number of measures to provide electricity access that includes on-grid and off-grid solutions. The minute detail in this plan gives anybody reading confidence that 100% electrification is within Rwanda's grasp.
