The Climate Adaptation Financing Facility (CAFF) is a funding mechanism within the Saint Lucia Development Bank (SLDB) designed to offer climate change adaptation loans which are: (a) affordable, (b) equitable across socio-economic and gendered lines and (c) which will provide incentives for pre-emptive vulnerability reduction.

student either in St. Lucia or elsewhere: Claim \$2,000 per child Child with permanent disabilities irrespective of age: Claim \$1,000 per child For a child/relative maintained during the income year who attended University or an equivalent educational institution on a full-time basis, the allowance is \$5,000. Documentary

In my opinion, solar power in Saint Lucia remains in the hands of those who can make a large investment in the long term. For those who at some points cannot even afford the cost of electricity services, investing a large sum into solar panels is not a possibility, even though in the long term it will be consistently cheaper

than traditional ...
