Home Travel Asia Southeast Asia Myanmar All About Myanmar's National Flowers: The Padauk and The Thazin. Set in the heart of Southeast Asia, Myanmar is a land of great contrasts, shimmering pagodas, and a rich tapestry of cultures. As the monsoon clouds prepare to embrace the nation, two flowers blossom, capturing the essence of its traditions and the spirit of its people.

Flower remedies, also called flower essences, are infusions made from the flowering part of wild plants, bushes or trees, which can help us to balance our emotional state. This method of treatment was discovered in the 1930's by Dr. Edward ...

If every day you are at work from 9 to 18 and can't check the state of your favorite flowers, the Xiaomi Smart Flower Monitor will certainly be useful to you. It will send you the information and tips on caring for your whole winter garden or a single small flower. Now you can be sure about their health and proper growth, even while you are away.

Regular use of the flower remedies builds the strength of their action. Therefore, potency is increased, not by taking more drops at one time, but by using them on a frequent, consistent basis. The standard dose is four drops, four times a day, under the tongue, although this may need to be increased in acute situations to once every hour, or ...

We have a lot of electric vehicles parked around the SmartFlower, so it looks like a green efficient zone. I think SmartFlower is a good option for companies, not just for energy production, but for the aesthetic impact and external benefits it brings. Our flower was installed around 4 years ago and is still an architectural icon for us."
