Where can you buy goods in North Korea?

In recent years,I had very few chances to go to places where normal North Korean citizens do their shopping. These included the Tongil Street Market in Pyongyang and a major market in the Special Economic Zone of Rason. In both places,photos were not allowed. In Rason,one could purchase goods either with North Korean Won or Chinese Yuan.

Are luxury goods on sale in North Korea?

Luxury goods can be seen on sale at one North Korean store in this photo supplied by NK Pro/NK News. In much of the countryside,humanitarian groups say North Koreans live in grinding poverty. But in the capital,there is clearly money to spend.

Does North Korea have regular shopping?

The latter often remains little more than an impression,as foreigners can rarely witness regular shopping in North Korea. "Regular" means that the place is frequented mainly by North Koreans,that access is not restricted and that the local currency is used.

Where can I use North Korean won?

It is one of the few places in North Korea where you can use North Korean Won. You can also use Won in the market in the Northeast region of Rason. In fact,since it is a local supermarket you can ONLY use Korean Won to pay for your goods. For this reason,there is a money exchange booth located within the supermarket.
