Operating since 1979, Swire Energy Services has become established as the world's largest supplier of specialist offshore containers to the energy sector. Today we provide a fully-integrated service package that also encompasses aviation, integrity and chemicals services for customers across the oil & gas, offshore wind and marine sectors.

I joined Swire Energy Services in January 2007. Originally joining the test-department as an operator, and my tasks were NDT-testing, preparation of offshore containers, baskets and tanks. As one of few girls, I started "on the floor", my daily workplace was among and around containers. During the 6 years I worked for the Test ...
