Trinidad and Tobago is a small island developing state (SIDS) with one of the largest emitters of CO 2 per capita globally - linked to a reliance on oil and gas. With the country's commitment to sustainable development goals and climate change agreements, rapid redesign of the national power sector is critical to promoting a sustainable energy transition.

Trinidad and Tobago battery storage cases

If your iPhone needs battery service, have the battery percentage at 30% or less when you bring it in, if possible. If you haven't already, call to check whether you need an appointment before you go to a service location. For example, schedule a Genius Bar reservation before you go to an Apple Store. When you go, remember to bring these items:
