

Can the Vatican save on light?

By generating its own energy, the Vatican can save on light. This is especially relevant in a context where the price of light is a constant worry for many. The use of solar energy also improves the State's energy efficiency, enabling a more responsible and sustainable light consumption.

Did the Vatican cover up Alien Secrets?

(CNS photo/House Committee on Oversight and Accountability) The decades-long effort gained momentum in 2023 following former U.S. intelligence official David Grusch's congressional testimony alleging the Vatican's involvement in an international cover-up of alien secrets.

Do Vatican archives have a high value for paranormal researchers?

The Vatican archives have a high value for paranormal researchers, he said, especially because, since the Renaissance, the church has applied more rigor to alleged miracles by requiring witnesses to swear oaths that they are not lying.

Who are the Pontifical Representatives in missionary synodal perspective?

Group 8 The Role of Pontifical Representatives in Missionary Synodal Perspective (summary report 13) 1. Cardinal Oswald GRACIAS, archbishop of Bombay (INDIA), coordinator 2.
