They have a proven track record, having been delivering solar energy systems for more than 40 years, and are the only UK manufacturer of flat plate solar thermal collectors. In addition to ...

When we say solar energy, we are referring to harnessing the sun's power and converting it into electricity. Crazy, right? ... Vibes Energy. Winnipeg, MB Canada. P: 204-298-7247. E: info@vibesenergysolar . Vibes Energy is based on Treaty 1 land, and the homeland of the Métis Nation. We practice our trade on Treaty 1,2,3,4, and 5 land ...

They have a proven track record, having been delivering solar energy systems for more than 40 years, and are the only UK manufacturer of flat plate solar thermal collectors. In addition to installing solar thermal and solar photovoltaic systems, they now deliver battery storage units and vehicle charge points among their list of products.

After the EV was checked off their list, Vibes Energy was lucky enough to receive the call to help them check off another bucket list item: a grid tie solar system. We began the process like we do with all of our customers, we requested their address, 1 year consumption report from Manitoba hydro and we confirmed that their load profile won't ...
